Unicorn Carpets is a new Moldavian brand created by a group of individuals who have a similar passion and experience in the production of carpets and the synthetic threading, from which the carpets are made, for over more than 30 years. The company located its production facilities on the territory of the free economic zone from Ungheni town, becoming the first fully vertically integrated synthetic carpet manufacturer in Moldova. Resulting in an efficient supply chain for raw materials, which allows our Unicorn carpets to respond promptly to changing market needs, and fashion trends in this specific industry.
