UNICORN CARPETS

Simply, a company that strives for efficiency and value. Unicorn Carpets is a young Moldovan-Belgian joint venture that presented its products for the first time on the textile market in May 2020.

We are a dynamic group of motivated and, most of all, passionate people whose ambition is to produce and deliver carpets with great service. Unicorn Carpets is a company that is Modest, Motivated & Competitive, and these are the companies core competencies. Trustworthiness is also an important part of our main focus, from experience we know that reliability is one of the keys to success. Therefore, the team at Unicorn Carpets emphasize is on providing excellent services.

Unicorn Carpets is a new Moldavian brand created by a group of individuals who have a similar passion and experience in the production of carpets and the synthetic threading, from which the carpets are made, for over more than 30 years. The company located its production facilities on the territory of the free economic zone from Ungheni town, becoming the first fully vertically integrated synthetic carpet manufacturer in Moldova. Resulting in an efficient supply chain for raw materials, which allows our Unicorn carpets to respond promptly to changing market needs, and fashion trends in this specific industry.

Being the first vertically integrated producer of polypropylene carpets in Moldova creates a lot of opportunities but evidently it creates quality carpets that are affordable.

The long-term strategy of the company focuses on further expanding efficiency, automation, and production capacity. In just five years, Unicorn has managed to increase its production capacity from 720.000 m² to 2.000.000 m². Presently, the company has more than 90 employees who are true professionals in their field and a vital part of our production. The group of designers, with whom the company collaborates pleasantly, surprises the company's customers with original carpet collections, distinguished by their delicate designs and beauty.

PHOENIX

Collection

Neoclassic vintage - this is how you can describe the style in which most of the carpet designs of the PHOENIX collection are executed. A distinctive feature in the imitation of the traces of time: the deliberate wear and tear of the carpet. This is easy to believe with just one glance over the noble patterns of carpets and grey-beige pastel colors. A gentle, silky and pleasant to the touch thread of medium-length will give you a great pleasure when walking on it barefoot after a long day. This is a new level of comfort - you will no longer settle for less!

Pile - soft frise 1ply

Pile height - 9 mm

Total weight - 1700 gr/m²

Density - 231.800 points/m²
